On October 8th, [The Naftali Group](#), one of New York's most active real estate developers with 14 properties, hosted an exclusive cocktail party celebrating the opening of the sales gallery for [The Shephard](#), their latest condominium development in the West Village.

The event was held in the sales gallery at 132 Perry Street- a space that allows visitors to experience what the lobby, kitchen, master bath and amenity spaces will look and feel like.
